

Hi,

Would you be interested in wholesale pricing for handbags?

Purse Party would act as your supplier offering you the latest trends in handbags inspired by top fashion designers. All of our bags are designer inspired and do not have any names stamped, imprinted or embossed on the bags. Each week we receive new merchandise which we add to our 'catalog'. The catalog is updated a few times each month and would be forwarded to you to and also is available on our website www.isellpurses.com - which features the RETAIL pricing) Established businesses (copy of business license or resale card required) are eligible for a wholesale discount on orders of \$200 or more. The minimum purchase is \$200.00 which provides you with \$400.00 in retail handbags. We extend to our wholesale clients, a 50% discount (off retail pricing) on all products stocked; handbags, wallets, luggage, travel bags, etc. (Any discounted, clearance or closeout specials are not eligible for wholesale discount) Our main objective is to offer the latest trends in handbags at affordable prices. I hope I've answered some or all of your questions.

Thank you,
Purse Party
